

**Medica High-Tech Imaging Program
Product Exclusions**

As of 6/4/08

Product/Group Current-Phase Exclusions

The following Medica products with corresponding employer group numbers are not included in this phase of the Medica High-Tech Imaging Program — These are members for whom the consultation process is not required. As a reminder, consultations are also not required when Medica is the secondary payer. If providers have any questions, call HealthHelp toll-free at 1-800-954-3040.
