

**Medica Provider Fact Sheet on AccessAbility Special Needs Basic Care (SNBC) and Complete Solution**

**Overview**

These plans are specially designed to address members with certain chronic conditions and disabilities. The plans are designed to improve quality of care and offer special clinical programs to accommodate groups with distinct health care needs. Medica AccessAbility for individuals with physical, developmental or mental disabilities and Medica Complete Solution for individuals with one of the following chronic conditions: Dementia; Chronic Obstructive pulmonary Disease (COPD) or other lung disorders; diabetes, cardiovascular disease or heart failure.

Individuals have either both parts or no parts of Medicare and Medicaid eligible or have Medicaid in order to enroll in AccessAbility. Complete Solution (Chronic Care) is not a Medicaid product.
